WE TAKE CARE OF YOUR SECURITY SO YOU CAN FOCUS ON TAKING CARE OF YOUR GUESTS

Leisure Guard is a professional security company with a number of specialist divisions. Hotel security is one of our most important sectors and we have an excellent record of supporting hospitality businesses of all sizes. We work in all environments, from big city-centre hotels to remote rural locations.

Our experience means that you can count on us to understand your needs, both operationally and in terms of the image you need to project. Consequently, we won't just take care of all your vital security tasks; we'll do it in a way that is friendly, courteous and unobtrusive. Ultimately, we know that we're an extension of your brand so we'll always work with the utmost professionalism, safeguarding your business, your reputation and the wellbeing of your customers.

Can you afford not to be covered?

WHETHER YOU WANT LOCAL SUPPORT OR COVER NATIONWIDE, WE CAN HELP YOU

Our clients include national chains such as Premier Inn, Marriott Hotels, Stay City Apartments and Roomzzz Apartments, together with a host of local hotels that require a friendly, consistent and quality service.

We tailor our services for every client and every location. We'll always begin by gaining a clear understanding of your work, your premises and your environment, together with any issues you may have faced in the past and any plans you might have for the future.

Equipped with that information, we can then propose security solutions that keep your guests comfortable and secure, and help to keep your business profitable.

Working Together WITH YOU

ABOUT US

Based in Greater Manchester, Leisure Guard offers a comprehensive range of security services throughout the North West, Yorkshire and the Midlands. For larger clients with multiple premises, we routinely operate nationwide.

Whatever the size of your organisation, you can always count on the same high quality service. Our security guards are fully certified and SIA accredited, and trained to perform all the security roles necessary to keep your business running smoothly. That includes everything from perimeter patrols and room checks to offering a friendly greeting at the front door. Multi-tasking is part of the job, so we'll always be happy to support your teams with concierge duties and at the reception desk.

As a business, we provide professional security services across the UK, for clients ranging from individuals to industrial and commercial clients. These include some of the most notable names in hospitality, politics, sports and entertainment. If you're looking for a security specialist to protect you and your interests, please get in touch.
